**GRADUATION MASS**

Graduation at ACU is a unique event, in addition to the award ceremony we hold a preceding Graduation Mass. All graduands and their families or guests, regardless of faith are very warmly invited to attend mass as a liturgical celebration of the achievements of our students and staff. Graduation Mass dates are published on the website at [https://students.acu.edu.au/142815](https://students.acu.edu.au/142815)

All graduands will receive a written invitation to Graduation Mass from Campus Ministry in the weeks leading up to the mass dates.

**PLEASE NOTE:** Graduation Mass is distinct from the graduation ceremony and in most instances the dates for the graduation ceremony are different to graduation Mass.

CRITICAL DEADLINES:

All students, regardless of attendance at a ceremony must complete graduation registration in Student Connect by the deadlines below. Graduation registration involves verification of important details, including your award (course), your full name and your contact details.

PREPARING FOR GRADUATION:

Your first steps to prepare for your graduation are to VERIFY the following:

☐ **NAME:** Check that your name is displayed correctly on your academic transcript. If you have changed your name or your name is wrong, including a missing middle name, contact AskACU immediately. All corrections to names must be complete and the new names recorded in Student Connect before the following deadlines:
  5pm Wednesday 2 March 2016 – Canberra, Melbourne and Ballarat campus cohorts  
  5pm Wednesday 20 April 2016 – Brisbane, Sydney, National and Online campus cohorts  
Please refer to the full name change information published at [https://students.acu.edu.au/448866](https://students.acu.edu.au/448866)

Your testamur (certificate) is issued once only with your full name as it appears in Student Connect, so it is critical you complete this name verification and take immediate action to rectify errors.

☐ **COURSE:** Check the course and award details on your academic transcript. This is the award that will be conferred and appear on your testamur. If your course or award is incorrect you must email course.completion@acu.edu.au immediately.

☐ **CONTACT DETAILS:** Check your address and personal email contact details are correct in Student Connect and if required, update them immediately. It is your responsibility to provide the University with a current, valid email address and continue to check your ACU email account throughout the graduation period as this is how we will communicate with you. If you are an international student returning home to an overseas address, please make sure that your overseas address is recorded and that all address fields are entered correctly. They must include a city and a country.
