

why study **ARTS & SCIENCES** *at acu?*

MIA-NICOLE JOHNSON, BACHELOR OF VISUAL ARTS AND DESIGN

"I always loved art, but was not sure which path to take. The visual arts and design course at ACU has been perfect, as I have been able to try a range of mediums from graphic arts to sculpture. My lecturers have been amazing in helping me get real industry experience – I was lucky enough to complete an internship at the Melbourne Spring Fashion Week and volunteered at the recent L'Oreal Fashion Festival."

ACU arts and sciences

STUDY OVERSEAS:

As an ACU student, you have the opportunity to study for one or two semesters overseas as part of your degree, including the Global Studies dual degrees. The University has partner agreements with more than 60 institutions all over the world.

DUAL DEGREES:

Combining arts with another degree is a great way to broaden your knowledge base, explore your interests and tailor your education for better employment options.

EMPLOYMENT OUTCOMES:

Degrees in arts and social sciences teach you skills that are applicable across a wide range of fields and are highly sought-after by employers in all sectors of the workforce.

CHOICE:

ACU offers a broad range of arts subjects, with a wide choice of undergraduate majors to choose from at each campus.

LEARN FROM THE PROS:

ACU arts and social sciences courses draw upon the expertise of the University staff who are active practitioners in their fields – complemented by visiting academics and special guests who are experts in their chosen professions.
